

## 2018 1st New Orchid Varieties Trade Show

### Invitation

Taiwan Orchid Breeders Society was founded on August 9, 2008, with the goal to uniting individuals and organizations in orchids cultivation and research. The missions of Taiwan Orchid Breeders Society are promoting new Orchid variety development, boosting breeding techniques, promoting Orchid industry and working in conjunction with the government agency in drafting guidelines and policies.

The theme of this year's exhibition is "Roots in Taiwan, Orchids Go Global". The foundation of Taiwan's orchids industry are the small Orchid growers, research and development of new varieties and the technological superiority in breeding gained the reputation for Taiwan as the Kingdom of Orchids.

In order to provide long term supply Chain of new varieties, our target invitees to the convention and exhibition are domestic and international seedling companies, tradesmen, breeders and trading companies. Our goals are to promoting economic efficiency, building mutual trust and benefits to create capabilities to compete internationally. Thus results in new varieties root in Taiwan and Orchid blossoms go globally.
